Fred is giving the one on the 21st. I am there to watch and for potential questions. We could also just cancel the Q&A on the webinar on the 22nd so it would still be useful going forward.

I talked briefly with Karen and Thelma about the 6/22 webinar (there's also a 6/21 in-person meeting that Newt Tedder is scheduled to attend). They discussed whether it made sense to postpone, but hadn't reached a conclusion.
